

ERIC DIRR

FULL STACK WEB DEVELOPER

EXPERIENCE

GENERAL ASSEMBLY | WEB DEVELOPMENT IMMERSIVE STUDENT

NEW YORK, NY | NOVEMBER 2018

- Designed and built projects using the most up to date technologies.
- Managed distribution of work and team contributions through Github.
- Collaboratively worked with UX/UI to modernize an outdated NYC restaurant's website.

PROJECTS

STUDENT DATA TRACKER

Teacher friendly data tracker to keep record of students' progress in various subjects. Built with React and Ruby on Rails to display data presented in visually appealing interactive charts using Chart.js.

HALL OF FAME BASEBALL DECK

Baseball fans rejoice! Users can log in to their account and search for their favorite players and add them to their own deck of players and checkout out their historic stats. Built with React and Express to allow for a quick way to learn more about your Hall of Fame favorites.

REVAMPED NYC RESTURANT

Paired with UX/UI to modernize an outdated NYC Swiss cafe's website. Used HTML, CSS and JavaScript to create a sleek mobile friendly site. Users can quickly navigate to the menu and find favorite Swiss dishes and the restaurant's location.

DANIEL STREET SCHOOL | SPECIAL EDUCATION TEACHER

LINDENHURST, NY | NOVEMBER 2017 - JUNE 2018

- Creatively designed engaging lessons to meet expectations of the NY Common Core Standards.
- Collaboratively worked with each student's education team and build relationships with parents.
- Gathered and analyzed students' data to identify areas of weakness and implemented a plan to resolve these issues.

SOUTH HUNTINGTON SCHOOLS | TEACHER ASSISTANT

SOUTH HUNTINGTON, NY | SEPTEMBER 2015 - JUNE 2017

- Broke down complex concepts into simple terms for individual students and small group instruction.
- Implemented education strategies to assist in effective lessons.
